hello@NisArend.com

3. Scan to book a  
discovery call:

**“After a day at this event, within six months I achieved my goal (I’d been trying to reach for the past 10 years on my own).”**

### How You Benefit

Whether sponsored by your employer or investing in yourself, you win either way. You’ll walk away transformed, empowered and equipped with newfound clarity, confidence, and direction. The value you gain from the workshop outweighs the investment, gifting you advanced training, actionable insights and strategies.

### By sponsoring this individual your organisation will:

- Invest in your talent to equip women in your organisation with advanced tools, insights, and strategies for growth, boosting her confidence, effectiveness, morale and engagement
- Demonstrate your commitment to her professional development
- Leverage this workshop as a strategic investment in her long-term success
- Enhance her leadership skills, resilience, and confidence in the workplace
- Contribute to a culture of inclusivity and gender equality, driving success and innovation
- Position yourself as a champion of women’s empowerment, enhancing your employer brand

### Participant Profile

Tailored for a dedicated woman who finds herself at a crossroads. You’ve achieved amazing milestones, but often grapple with feelings of inadequacy and self-doubt. Your quiet ambition drives you, but you need next-level support. This day offers a safe space to explore your challenges, gain clarity, and connect with like-minded women. Join us to reignite your sparkle, confidence, embrace your potential, and develop a personalised plan for your next steps to become future fit.

Limited seats so you get Nis’s personal attention.
